2015 CA Volume II Updated

The California Cancer Registry (CCR) has published a revised 2015 CA Volume II. The revisions are as follows:

- Section I.1 Summary of Changes for 2015: Removed reference stating that Record Version was changed to M.
- Appendix C: Changed Record Version to N (previous Record Version).
- Appendix C: For Data item "Follow-Up Registry-Next", changed "CCR Required from Reporting Facility Software" from 'no' to 'yes*'.

For your convenience, the above revisions can be viewed on CCR's website at: ccrcal.org
