2014 Software Vendor Approval: ERS version 10.9

ERS abstracting software Version 10.9 has been approved to abstract and transmit cases diagnosed January 1, 2014 and forward or any cases abstracted after the installation of ERS's version 10.9 software.

As a reminder, registrars are encouraged to complete pre-2014 diagnosed cases before installing the 2014 software. Upon receipt of ERS's version 10.9 software, registrars have 45 days to install the software.

The approved 2014 software vendor list will be updated to reflect this change. Click [here](#) to view the Software Vendor Approval List.
